

March 7, 1939

LB 775  
LR 32, 42, 43

That's all that I have, Mr. President.

PRESIDENT: Thank you. While the Legislature is in session and capable of transacting business, I propose to sign and do sign LR 32 and LR 43. Move on to resolution LR 42.

CLERK: Mr. President, LR 42 offered by Senator Rod Johnson, found on page 971 of the Journal. (Read brief description of LR 42.)

PRESIDENT: Senator Rod Johnson, please.

SENATOR R. JOHNSON: Mr. Speaker and members of this distinguished body, it is with a great deal of pleasure that I take this time to sponsor this resolution on behalf of Nebraska Wesleyan University's men's basketball team. I think the resolution is fairly self-explanatory. The Nebraska Wesleyan team has made three appearances in the NCAA Division III Final Four in the past five years. Unfortunately, on Sunday they were beaten out of the opportunity to make a fourth appearance in California but, in any case, I wanted to take this opportunity, after we honored the Creighton basketball team, to honor another distinguished champion of Nebraska, the Nebraska Wesleyan basketball program for the fine job that they have done through the years. Having been a short power forward for the Nebraska Wesleyan team back in the late seventies, and slow, when it was nice to win four or five ball games, it's great to see the program turn around, since I played, and become a champion. And I guess at this particular time I would like to honor them and to congratulate Coach Schmutte and his players on a fine season and I think a legacy that will carry on in future years at the institution. Being a former alumni of that distinguished program, I think it's my honor to bring this resolution and honor the program and the institution. Thank you.

PRESIDENT: Thank you. The question is the adoption of the resolution. All in favor vote aye, opposed nay. We're voting on the Rod Johnson resolution. Have you all voted? Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of LR 42.

PRESIDENT: The resolution is adopted. We will move on to General File, LB 775. Senator Lindsay, are you prepared to
